Hello Brandy and Holly,

Thank you for your letter. We aren't providing written responses so would you be available for a call Friday morning or early next week? Our hope is that with a call we could get you the information you need to send a formal comment letter.

Thank you.

Good afternoon, Sean!

Attached is the letter from Tribal Council I referenced in my email earlier today. We look forward to reading EPA's responses and developing our comments on the Proposed Plan.

masi! (Thanks!)
